

KNOX COUNTY ZONING DEPARTMENT

I, _____ am aware that the Zoning Department will be conducting random inspections on structures constructed in the unincorporated areas of Knox County effective June 25, 2012.

I am also aware that any structure not being used for the purpose expressly stated on the construction permit application, including but not limited to; size, usage and setbacks, may be deemed a zoning violation and may either require going before the Zoning Board of Appeals or removing the structure immediately from the property.
